Subject: SCE&G Rate Increase Request

Dear Sirs/Madams:

I would like to ask you to carefully consider the increase requested by SCE&G before approving it. As you are aware, the economy is bad and there are many of us struggling to just make ends meet. I for one have not had a wage increase in 3 years and it is difficult to pay for the necessities as everything except salaries seem to continue to escalate. Also, there are many Social Security recipients who are on fixed incomes and they will not be getting increases either.

At this time I request you please decline the requested increase.

Sincerely,

Valerie L. Williams
